

# ANTIKE IN BASEL

NOVEMBER 11 – 14, 2021

## DEAR VISITORS

Although the return to normality has not yet been fully achieved, the announcement of the fifth edition of ANTIKE IN BASEL expresses our optimistic outlook into the future. Especially the past months have shown just how valuable culture, but most of all how much greater the impact of a personal, three-dimensional experience of art actually is.

We are delighted to invite you to the group exhibition in the heart of the old town. International and notable exhibitors will be presenting a selection of fine artworks from the ancient cultures around the Mediterranean – and beyond. Since its successful launch our event has established a firm position in the Swiss cultural agenda.

**SPECIAL EXHIBITION:** objects in terracotta by the sculptress Cordelia von den Steinen and ancient artworks promise to be an inspiring dialogue between ancient and modern art.

**Covid-19:** Your safety and that of the exhibitors have the highest priority. Please check our website for the respective regulations prior to your visit.

See you soon – and stay healthy!
