

ANTIKE IN BASEL

NOVEMBER 10 – 13, 2022

DEAR VISITORS

Especially in times of great challenges, stable values and continuity are of major importance, just as the moments in which the soul and spirit are being nurtured by uplifting experiences. The encounter with ancient art and its fascinating history offers such intense opportunities of enjoyment.

We are delighted to invite you to the 6th edition of ANTIKE IN BASEL. Our event has in the meantime established a firm position in the Swiss cultural agenda and should not be missed.

This year we welcome Galerie Cybèle (Paris) which is joining our ranks of international and notable exhibitors and will also present a selection of fine artworks from the ancient cultures around the Mediterranean – and beyond.

See you soon – in the heart of the old town of Basel!
