DEAR VISITORS

For the 9th edition of ANTIKE IN BASEL, an even more attractive program awaits you. We welcome a larger group of dealers in Ancient Art and a new participant showcasing Tribal Art. And to give you plenty of time to enjoy the experience, the event will be extended by one day.

Seven international and renowned specialists will be presenting fine works of art from the great civilizations of the Mediterranean – and beyond. A long-established technical laboratory will demonstrate interesting analysis methods for dating ancient artefacts. We look forward to your visit!
